

School Counseling Graduate Certificate

The **School Counseling Certificate (24 semester hours)** equips students with foundational knowledge and practical skills required for a career in school counseling. Serving as a bridge between clinical mental health counseling and school counseling emphases, this certificate is designed for individuals who already possess a 60-semester hour MS in Counseling, with an emphasis in Clinical Mental Health Counseling, or equivalent degree, who desires to obtain the additional coursework required to pursue certification as school counselor.
