Master of Science in Health, Kinesiology, & Sports Studies emphasis in Human Performance (Accelerated BS-MS) - Option II Non-Thesis

The BS-MS accelerated degree program allows undergraduate students in the Kinesiology & Sports Studies-Human Performance concentration to begin coursework towards the Master of Science in Health, Kinesiology, and Sports Studies-Human Performance program during their senior year at Texas A&M University-Commerce. Students can earn a B.S. and M.S. degree in five years upon completion of degree requirements for both degrees. For this accelerated program, a maximum of 12 graduate hours may be taken as an undergraduate student (graduate courses cannot be applied to the undergraduate degree). Once admitted, the BS/MS candidate must maintain a 3.25 Undergraduate GPA. In the final semester of the student's undergraduate program, a new online Apply Texas Application for the master's Accelerated program must be submitted to gain admission and continue taking classes to complete the master's program.
