Financial Aid & Scholarship Office

(903) 886-5096

Graduate students who have full or conditional admission to a graduate degree program or a teacher certification program may be eligible for several forms of financial aid. These programs include the Texas Public Education Grant, Graduate Tuition Set Aside, College Work-Study, the TEACH GRANT federal direct student loan programs, and private education. Departmental scholarships are available for admitted graduate students with a high GPA.

Admitted students can apply for donor funded scholarships through their myLEO (<https://leo.tamuc.edu/>) portal. Graduate Teaching and Research Assistantship appointments are done by the individual departments and approved through the Provost Office. Graduate students should contact the department directly for Graduate Teaching and Research Assistant appointments. The Office of Financial Aid & Scholarships is located in the Welcome Center, with financial aid advisors located within each of the colleges.

ENROLLMENT REQUIREMENT FOR FINANCIAL AID ELIGIBILITY

Financial aid recipients must be enrolled in no less than 6 credit hours for most financial aid programs to pay out. There are two exceptions to this requirement. Students who are eligible for TEACH GRANT can receive this grant for less than 6 credit hours. The amount will be prorated before the money is released to the Office of Student Accounts. Students registered in 3 credit hour dissertation 718 course or 518 course can receive financial aid at the same level as if enrolled in 6 credit hours.

ACADEMIC AND COMPLETION REQUIREMENTS FOR FINANCIAL AID ELIGIBILITY

Students must maintain good academic standing according to Graduate School policy regarding GPA. Students must complete 67% of the attempted hours for the semester and cumulatively. Master's level students have six (6) years from start of the program to complete. Doctoral level students have ten (10) years from start of the program to complete. After these time limitations, a graduate student will be on financial aid suspension for future semesters. For specific information please visit our web site; Financial Aid Standard of Progress (<https://www.tamuc.edu/admissions/cost-and-aid/financial-aid/>).

Withdrawal Consequences for Financial Aid

When a student who is receiving Federal Financial Aid withdraws from a semester, the Financial Aid Office is required by the Department of Education to perform a Return to Title IV calculation. This Return to Title IV calculation is used to determine how much Federal Financial Aid the student had earned prior to the withdrawal using the student's last day of academic engagement. If the calculation determines that the student has participated in over 60% of the semester, the student has earned all of their Federal Financial Aid for the semester.

If the calculation determines that the student has not participated in over 60% of the semester, then the Financial Aid Office is required to return any unearned Federal Financial Aid to the Department of Education. This return of Federal funding may result in a balance due to the university and the student would be required to pay this amount to the university.

Withdrawing from the semester may either place students on a Financial Aid Warning or a Financial Aid Suspension, depending on their current Satisfactory Academic Progress status. A student who is considering withdrawing is encouraged to contact the Office of Financial Aid and Scholarships for additional information.

Students may visit the Office of Financial Aid & Scholarships website (<https://www.tamuc.edu/admissions/cost-and-aid/financial-aid/>) for the most up-to-date information on financial aid and scholarships.

Satisfactory Academic Progress Policy

The Higher Education Amendment Act of 1965, as amended, mandates institutions of higher education to establish a minimum standard of "Satisfactory Academic Progress" for students receiving financial aid.

For additional information visit the Office of Financial Aid website at Financial Aid (<https://www.tamuc.edu/admissions/cost-and-aid/financial-aid/>).
