

Applied Economics B.S.

Applied Economics B.S. Web Site (<https://www.tamuc.edu/programs/applied-economics-bs/>)

The BS in Applied Economics provides students with a unique curriculum focused on applying economic theory to real-world situations, focusing on job-market readiness for our graduates. Students will master the technical skills needed for the application of theory, while also enhancing their abilities toward the written and oral communication of valuable information to non-economists.
