

# Bachelor of Applied Arts and Sciences in Health Services Administration

---

Our BAAS program is flexible, affordable and 100 percent online. If you have earned or worked toward an Associate of Applied Science (A.A.S.) degree, our innovative BAAS program will provide you with a cost-effective pathway to earning your Bachelor degree. We will accept up to 85 hours of your previous coursework from an accredited institution, which means you are only 37 hours away from earning your degree!

## Core Curriculum Courses

See the Core Curriculum Requirements (<http://coursecatalog.tamuc.edu/undergrad/core-curriculum-requirements/>) 42

## Professional Development Electives 48

Students may transfer in coursework from community college, WECM courses, military credits, other coursework from 4-year institution, or may enroll in any other competency-based course, including (ORGL, CJCB, SHCB or HSCB) or any of the following:
